Like many other snowbirds. I spend a lot of money at local businesses. Restaurants, grocery stores, gas stations, convenience stores, auto, RV parts, supplies, and repairs. Your proposed changes will be devastating to the economy of Sierra County.

At the present time your fee structure is competitive with most of the RV resorts and parks in New Mexico, most of which have far more amenities. I have spoken with dozens of RVers and mobil travelers, and all agree that based on your proposed changes they will never return to your state parks. As RVers we have other choices, and WE WILL exercise them!

Thank you for allowing my input
