My RVers love New Mexico . Instead of eliminating Year passes just rise the fee for an annual passes. We have no problem paying more. You should still have fees for resident and non-resident it makes no sense not to pay for an entrance fee. Rise the over night camping fees for all non- resident and residents. People with an annual pass can pay a surcharge if using a camp ground with water and electricity. By eliminating annual passes it could have people find other states instead of staying in New Mexico. I grew up in silver City and I am moving back to the state of New Mexico regards less of what is decided. After I get my residency in New Mexico I will still feel I should pay fees by visiting the state parks Thank you for letting me submit my opinion.

Sincerely yours  
James Velasquez
