Good morning Mark,

Thank you for your question. In our proposed rule revision for 19.5.2.11.A, we specify that, "visitors may provide a current New Mexico driver's license or current New Mexico identification card issued pursuant to 18.19.5 NMAC or a current New Mexico vehicle registration to demonstrate residency." So, if you have your suburban registered in the state of NM as identified in your e-mail, you will be able to access the park for free under the new proposal. I hope this answers your question. If I can be of further assistance, please let me know.

Thank you,

Jared Langenegger, Field Operations Bureau Chief

NM State Parks Division

When you say residents are free to the lake, what exactly does that mean? I own a house in Elephant Butte, pay all my taxes yet my main residence is in El Paso. So my question becomes do I have to pay everyday even though I pay the same taxes as my next door neighbor who enters free? I register my boat in New Mexico, my suburban in New Mexico, I should be given same privileges as my neighbors. I'm thinking this probably won't be considered at your meetings!

Thanks for your considerations,
Mark Fleming
